

A PETITION
TO THE LEGISLATURE AND THE OFFICE OF THE GOVERNOR
OF THE STATE OF FLORIDA

FOUNDATION: American laws are supposed to be created by the people Americans elect.

SITUATION:

MANY of the laws or Rules with the force of Law, that we live under have been adopted by appointed boards and panels, NOT elected men and women. Some are even adopted by reference to second boards and panels.

REQUEST:

We, the citizens of the State of Florida, do hereby petition the members of the State legislature and the Governor, to:

- 1.) Enact legislation to protect us from the unlawful practice of creating law by appointed boards and panels.
- 2.) Protect us from laws adopted by actions other than that as prescribed by the legislative process.

By signing this petition, I attest that I am a legal citizen of the State of Florida and registered to vote therein.
